

```
#pattern 5
row=5
for i in range(row,0,-1):
    b=6
    for j in range(1,i+1):
        print(b-j,end="")
    print("")
```

The screenshot shows the Visual Studio Code interface with a file explorer on the left, a code editor in the center, and a terminal at the bottom. The file explorer shows a project named 'VS CODE PROGRESS' with various files. The code editor displays the same Python code as the first block. The terminal shows the command to run the script and its output.

```
pattern5.py x
pattern5.py > ...
1 #pattern 5
2 row=5
3 for i in range(row,0,-1):
4     b=6
5     for j in range(1,i+1):
6         print(b-j,end="")
7     print("")
